

## NEW ON SHELVES The Last of the Firedrakes

FIRST published in the US where it was one of the finalists in the USA Best Book Awards 2015 (Best Cover Design: Fiction), *The Last of the Firedrakes* also went on to win a Watty Award for the most added book in 2015, with over a million readers on Wattpad. Now launched in India, Farah Oomerbhoy's debut novel is an adventure story that will transport you to a world of myth and magic. Avalonia is a dangerous land ruled by powerful mages and an evil queen who will do anything to control all seven kingdoms — including killing anyone in her way. Targetted at young adults, the title hit No. 1 in the category of new releases in children's fantasy in the US.
